

CONFERENCE 2026

“EVALUATION AND RESEARCH IN EDUCATION”

4 - 6 NOVEMBER 2026

Demetrio Cosola, The Dictation Lesson, 1891*

*The Dictation Lesson (in Italian: Il dettato) is a painting of Italian Verismo painter Demetrio Cosola. The painting is housed in Turin Civic Gallery of Modern and Contemporary Art. It is a symbolic representation of the establishment of public education in the Kingdom of Italy immediately after unification, and the opening of schools to women, both as pupils and teachers.

The Conference 2026 “Evaluation and Research in Education” edition will be held in Lecco from 4 to 6 November 2026, with the aim of promoting the use of data on the educational system including those produced by INVALSI in scientific research and in teaching.
